Minutes of AGM 31/10/18

1. Present – *Dave Moore (Life Member), Chris Wilding (Life Member), Paul Squibb (Valence), Lisa Watkinson (Valence), Martin Rose (Ripple), Donna Rose (William Bellamy).*

2. Apologies – *Aaron Hunwicks (Northbury), Daniel Webber (St Joseph's Dagenham), Rob Reynolds (Gascoigne), Nikki Gabriel (Five Elms), Peter Duggins (Life Member), Graeme Farquhar (Life Member), Steve Ley (Roding), Liane Prior (The Leys)*

3. Minutes of last meeting - were read and agreed.

4. Matters Arising –

(i) CW gave an update on the proposed redevelopment of Parsloes Park which is set to see the creation of a new 'hub' as part of a £6 million investment from the council, the Football Foundation and other relevant parties. Essex FA has a full-time member of staff employed to oversee the project and BDSFA has been approached to be a key partner. The plan is to construct seven new 11-a-side pitches (although they will now be a later addition), alongside three 3G floodlit 11-a-side pitches, with markings for 5, 7 and 9-a-side games. The facility will also have toilets, café, social space, a classroom, changing rooms and showers. DM and CW have attended several meetings and hope to secure the centre's use for district football. It is also hoped that schools will use the pitches for borough competitions etc. The planned completion date is September 2019;

(ii) Finances: Last year, DM reported a healthy surplus of funds which were allocated to several projects (*see last year's minutes*). Shortly after the AGM, BDSFA received notice of two major funding cuts potentially damaging to the association: the ESFA funding usually allocated to district associations was instead directed to county SFAs to allocate as they wish; and the £2000 Premier League grant for running district teams was to be cut to £750 for that season and would not exist beyond 2017/18. The BDSFA committee therefore decided to halt the spending of the surplus until confidence regarding future finances was strengthened. DM and CW have been pursuing alternative income streams. CW has secured over £1600 for the girls' district team via various supermarket token schemes and the Barking & Dagenham Lottery has provided several hundred pounds so far (*see Any Other Business*).

(iii) Graeme Farquhar volunteered to oversee the Barking & Dagenham Cup, Barking & Dagenham Trophy and Evans-Moore competitions. GF changed jobs at Easter, now teaching outside of the borough. This meant that the organisation of the Evans-Moore Plate and Barking & Dagenham Cup/Trophy finals was taken on by DM. CW thanked DM for stepping in as well as GF for his many years organising borough competitions and managing the district teams alongside DM and CW (see Chairman's Report and Secretary's Report).

5. Chairman's Report - (See separate sheet after A.O.B.)

In addition, the subject of academy football was raised. Members were encouraged to seek out BT Sport's No Hunger In Paradise film, based on the book by Michael Calvin, for a perceptive insight into some of the difficulties players and families face through their experiences at professional clubs.

6. Secretary's Report - (See separate sheet after A.O.B.)

7. Treasurer's Report - (See separate sheet after A.O.B.)

As with last year, both district and non-district accounts are currently in credit. At the previous AGM a spending plan for the surplus was agreed. However, changes to income mean a thriftier approach is wise – at least on a temporary basis (see Matters Arising). The surplus of funds has decreased slightly and it is unclear at the moment whether this will be a pattern that is repeated.

District football accounts for the bulk of spending although savings have been made by playing less home matches, cutting down on pitch, referee and refreshment fees. DM and CW have also increased their fundraising activities.

Entry fees for competitions have also been increased to a £20 flat rate: schools have been accepting of the changes and competition entries have remained high. DR suggested asking for further donations from schools however DM recommended that the current changes were sufficient for the time being.

8. Competitions -

9-a-side competitions:

Barking & Dagenham Cup: Winners – George Carey C of E Primary

Barking & Dagenham Trophy: Winners – William Ford C of E Primary

33 schools entered last year's competition with Robert Clack Leisure Centre used as a new venue for the finals. Thanks must go to Robert Clack and the school staff for helping out at short notice. Both matches were played simultaneously which proved a diverting spectacle.

CW is acting as competition secretary, although school staff are encouraged to get involved as GF's workload is now split between CW and DM – who already have varied commitments both within and outside of the association. Thirty-two schools have entered this year's competition, meaning teams are drawn onto eight groups of four.

Only Y6 pupils may play in BDSFA 9-a-side competitions. Any school found to have played a Y5 will be eliminated.

Thank you to the Barking & Dagenham Post for their continuing sponsorship. CW also expressed thanks to schools who allowed their pitches to be used by others.

Small-sided competitions-

Evans-Moore Cup: Winners – Valence Primary School: DM agreed to oversee the Evans Moore Cup to be held on Saturday 3rd November at Robert Clack Leisure Centre. Schools were reminded that this is a 7-a-side competition for **Y5/6 only** (best team). The winners will represent the borough in the Danone Trophy county finals and the Community Cup. Therefore, penalties will be required in the event of the final being drawn. No contact has been made by Essex FA regarding this year's county heats so CW agreed to make enquiries. Henry Green were nominated by CW to represent the borough in any equivalent girls' competitions. Members agreed the motion unanimously.

Evans-Moore Plate: Winners – Monteagle Primary School: The Evans-Moore Plate is a B-TEAM 7-a-side competition held in the summer term. As such, no boys' district, academy or Evans-Moore Cup players should feature. Boys and girls are both eligible from Y5 and Y6. This year's competition was held at Robert Clack Leisure Centre for the first time. A competition secretary is yet to be found – please contact DM if interested/available.

Monteagle Shield: Winners – Henry Green Primary: Since the change of format to a 5-a-side knockout tournament, the Monteagle Shield has grown year-on-year. This season 24 entries have been received, making it the biggest girls' competition we have held. Thanks go to Joe Appleyard who has sponsored the Monteagle Shield this year. CW will act as competition secretary.

Ballerz Girls' League: Winners – Henry Green Primary: CW will act as competition secretary for the girls' league. CW expressed thanks to Aaron Hunwicks from Ballerz who will sponsor the league again. Sixteen teams have entered and the draw has been sent to schools. Last year, the league was restructured at the request of members so that Super Six teams played each other again. This led to post-SATs fixture congestion. Therefore, the league has been reduced from three to two stages to help reduced difficulties later in the year.

BDSFA small-sided competitions are Y5/6 ONLY to comply with ESFA's 'two year' rule. Should schools wish to play pupils in Y4 during friendly matches, no Y6 pupils should be playing. To clarify, Y3/4 can play Y3/4, Y4/5 can play Y4/5 and Y5/6 can play Y5/6.

9. Boys' District Football

The boys' district side will be run by DM, MR and Peter Maynard. BDSFA is also grateful to members of staff who helped out during the season. Special thanks are especially given to Graeme Farquhar following twelve years of service.

Last season, BDSFA ran both an 'A' and a 'B' squad, meaning a record amount of pupils represented their district: Nathan Solomon (*Southwood*); Divine

Mukasa (*Roding*); Alamin Kosoko (*Richard Alibon*); Somfechi Ukonu (*Dorothy Barley*); Abhigyaan Pal (*Dorothy Barley*); Ibrahim Bangurah (*Valence*); Emmanuel Mintah (*Valence*); Romir Mann (*Rush Green*); Aidon Shehu (*Hunters Hall*); Amine Zafer (*Gascoigne*); Jethro Medine (*Northbury*); Matas Klimas (*Marsh Green*); Aaron Balogun (*Grafton*); Rio Inayat (*Valence*); Kaobi Efobi (*Valence*); Reece Jeffs (*Hunters Hall*); Eduard Iusco (*Marks Gate*); Riley Setters (*Godwin*); Lewis Collingridge (*Richard Alibon*); Tolu Fabamifobee (*George Carey*); Jermain Matthews (*George Carey*); Oliver Bourne (*The Leys*); Enzo Pougoue-Ngalamou (*The Leys*); Imrane Aroui (*Thames View*); Frankie Ishmail (*Northbury*)

DM reported that the team struggled in most competitions – yet managed to win the Essex Finch League for only the fourth time in forty-one years! The experiment of running two sides proved difficult and one that was not likely to be repeated in the immediate future. That said, all the pupils were incredibly well-behaved, enjoyed the experience of district football and provided healthy numbers for the Jersey trip.

Trials for this year's squad were held in September and the following pupils have been selected: David Nkrumah (*Grafton*); Chinaza Nwosu (*Valence*); John Bartram-Richards (*Dorothy Barley*); Lewis Skam (*St Joseph's Dagenham*); Sion Nurse (*James Cambell*); Shay Scott, Vinny Tidd, Airidas Golambeckis, Frankie Hills (*all Richard Alibon*); Toby Akinyimika (*Roding*); Brandon Jones (*Marks Gate*); Louie Hart (*Five Elms*); Gabriel De Sa, Emilis Lenkevicius (*Ripple*).

The team has been entered in the Essex SFA Finch League, London SFA Lester Finch Trophy, London SFA Crisp Shield, Premier League 9-a-sides and the Essex 7-a-side tournament. In addition, they will play a number of other representative matches. Home games will usually take place on Saturdays at May & Baker: 10:30 a.m. kick off.

Thanks to teachers who have assisted in the selection of the district side by putting players forward and relaying messages to pupils/parents.

Congratulations to former player and England SFA U18 international Max Watters who has signed a professional contract with Doncaster Rovers, showing that there is a route through to professional football without going through the academy system. Well done too to Idris Kanu who scored his first EFL goal for Port Vale earlier in the season.

10. Girls' District Football

The girls' district side was run for the eleventh season by CW, with support from Paul Squibb and Liane Prior.

The team was: Maria Omotayo (*Roding*); Ianna Msekwa (*George Carey*); Abigail Asare, Miquelleh Meade, Ellie Mai Morgan (*all Henry Green*); Kayla Grain (*Richard Alibon*); Holly Anderson (*Grafton*)

Website: www.bdsfa.bdcs.org.uk

Twitter: @bdsfa1

BDSFA

In addition, the following pupils were called into the squad at various points in the season: Ella Turner (*Valence*); Kirsten McNaughton, Elishah-Oliviae Mintah Adarkwah (*both George Carey*).

The team enjoyed its most successful season ever, winning the London Girls' League and Essex 7-a-side titles as well as finishing as runners-up in the Southern Counties Cup. They exited the SE 9-a-side finals 10-9 on penalties at the semi-final stage – the two teams who reached the SE final also ended up as national champions and runners-up.

They also played a number of friendlies, including a trip to Gloucester and a warm-up game against JRCS.

Captain Emily Brown ended the season as the girls' all-time leading scorer, with four of the squad joining Dagenham & Redbridge, two joining Arsenal and one joining West Ham United.

CW gave mention to several former players: Olivia Smith was selected on several occasions to play for England U19s and is now receiving a 100% scholarship at the University of Oklahoma; Klesha Darroux is also studying in America and playing for the Eastern Florida Titans; Andreyka Ezekiel-Meade scored in the national sixth form colleges final as Barking Abbey retained their title once again as well as making an appearance in the WSL2 for Tottenham Hotspur.

Trials for this year's squad have taken place with larger numbers selected due to the increase in 9-a-side matches. The team is: Miquelleh Meade, Ellie Mai Morgan, Mei Wang (*all Henry Green*); Kayla Grain (*Richard Alibon*); Kirsten McNaughton, Elishah-Oliviae Mintah Adarkwah (*both George Carey*); Jessie English (*Roding*); Kaltrina Ibrahim (William Ford); Violette Sharpe (*Gascoigne*); Lily-Mae Eley (*Northbury*); Ruby Abela (*Dorothy Barley*); Kezia Owusu-Abeiyee (*Valence*).

The team has been entered into the London Girls' League and will also play in the Woking Festival, Essex 7-a-sides, South East Cup, Southern Counties Cup and the Premier League Tournament.

CW will be organising the county girls' competition and the London Girls' League (with fifteen teams, the largest district girls' competition in the country). CW will also be meeting with ESFA's Phil Harding and regional RTC manager Sharon Brownlie to discuss the future of girls' district football in the South East.

12. A.O.B.

Adults Other Than Teachers/Referees –

Members were advised that the previously applied rules regarding AOTTs are no longer in place. English Schools FA advise that if the Headteacher of a school has allowed an individual to take charge of a team, the Headteacher remains in overall control and takes responsibility.

BDSFA advises that it is good practice for a qualified teacher to be present at all times at matches and reserves the right to prevent individuals from taking responsibility for teams in competition if the committee deem them inappropriate and/or unfit to do so.

Website – Please use it: www.bdsfa.bdc.org.uk. BDSFA also has a presence on Twitter. Members are encouraged to follow us @bdsfa1.

Match Reports – The Barking and Dagenham Post continue to sponsor Primary Schools' football and match reports should be emailed to Lee Power, FAO Barking & Dagenham Post Sports Desk to dagenhampost.sport@archant.co.uk. They can also be posted on the BDSFA website. Send them via email to Chris Wilding.

LBBD Lottery – Please promote and support BDSFA's Barking & Dagenham Lottery page. It costs £1 per ticket and if players select BDSFA as a good cause, we get 50p, with 10p going into the community pot for distribution amongst all the good causes who have signed up. This will become a vital source of funding in the years ahead. <https://www.lotterybd.co.uk/support/barking-and-dagenham-schools-football-association>

Use of Goals Centre – available free for schools until 5 p.m. upon application. Only borough schools may play there. Bookings must be made by the school office. Schools are reminded that this facility is kindly given without charge and parents/pupils/staff should respect the premises accordingly. Correct supervision is necessary at all times. Studded boots are not permitted on the pitches.

Use of other schools – We are very fortunate in Barking & Dagenham as schools with pitches generally recognise the need to help other schools get fixtures played on their premises. Please remember that you are guests and to ensure players/parents/staff behave appropriately. One school has felt the need to ban another because of parents' behaviour. This is regrettable; members are reminded that Codes of Conduct can be downloaded from the BDSFA website for adaptation and distribution.

Health & Safety – Teachers in charge of football, as part of their ongoing Risk Assessment, need to maintain vigilance with regard to suitable footwear. There is no direct instruction regarding studs or blades although steel studs are not advisable. Studs/blades are preferable on grass, particularly in slippy conditions. However, if the ground is hard, trainers or astro-boots/moulds, may be more suitable. A common sense approach is encouraged. It is the

teacher/referee's responsibility to check footwear is appropriate. Shin guards however are necessary in all structured or organised matches/training. If an injury takes place, particularly if caused by studded boots, and a pupil is not wearing shin guards, teachers may find themselves open to legal proceedings.

Transport – Teachers are reminded that anyone assisting in school arranged transportation of pupils to matches should be CRB checked. In addition, schools should obtain copies of a valid driving license, car tax, MOT and fully comprehensive insurance for business use. An alternative to this is to adopt a "meet me there" policy with teachers playing no role in assisting with arrangements. The onus is then with the parents to arrange transport. Pupils under 135cm require booster seats. Journeys further than seven miles require completion of an EVA1 form from the borough. These can be obtained from Nicola Young at LBB. Fords have a minibus available for community use (0208 5262460) if required.

Welfare – The Child Welfare Officer for BDSFA is Dave Moore.

Chairman's Report for the BDSFA AGM (31st October 2018)

It has again been an honour to be chairman of BDSFA for the past year. My aim has been to maintain and enhance the excellent tradition and reputation of the BDSFA. It has been a privilege to work with colleagues who have the same priorities. It has been a demanding and yet very enjoyable year.

I am grateful for the support and understanding of head teachers, colleagues and committee members when there have been any difficulties. Practical solutions and a positive approach have always allowed us to move forward.

I am impressed and inspired by the efforts of all staff who give up so much time to provide football opportunities for pupils in our schools. Their commitment and enthusiasm are truly appreciated. Goodwill and a sense of humour have also helped!

Enormous thanks to Chris Wilding for his commitment and professionalism in carrying out his role as BDSFA secretary. His leadership qualities have been significant in sustaining and developing schools' football in the borough. Behind the scenes, he has been instrumental in addressing a number of key issues. His planning, creativity and liaison with interested parties help to provide pathways for future initiatives. Chris has played a leading and integral part in the promotion and development of girls' football in the borough and indeed beyond.

I must express my thanks to Graeme Farquhar who is now working in another borough. Graeme is a life member of BDSFA and as such, we hope he will be able to continue to support the association and its activities. Graeme has been my co-district manager for many years and I am very grateful for his support in this role. He has also been secretary for several competitions in the borough and his departure has left a significant gap. I wish Graeme a well-earned 'rest' and hope he may return to Barking and Dagenham at some time in the future.

We are grateful to Martin Rose for his assistance at district matches and in particular for coming to Jersey with the district team. Similarly, thanks go to Paul Squibb and Lianne Prior for their help with the girls' district team. Further thanks go to Peter Duggins, (another life member of the BDSFA) who provides support whenever possible and we are also pleased to have the services of Harry Evangeli whenever he is available to referee. Thanks are extended to Peter Coppin who at one time was actively involved in our schools' football. He continues to provide the Association with an independent, critical eye as auditor of the accounts.

BDSFA

Thanks are extended to Chris again for updating and developing the excellent website. This is full of information and one of the best school football websites around. Twitter is a communication strategy now in use and is effective in advertising/promoting events, sharing successes and general interaction.

Finances continue to require careful management. We continue to seek sponsors and new ideas to support the future of schools' football in Barking and Dagenham. We are grateful to those who have provided financial help or support in some way. Our website shows a list of such 'supporters.' The list is slowly but surely growing.

Opportunities are provided for hundreds of pupils to participate and enjoy football in the borough. Competitions organised by BDSFA have again been well supported by schools and I extend my congratulations to all individual schools that were 'successful' in 2017 – 18.

The Primary Schools' District teams have had an excellent season. The boys won the Essex league and the girls won the Essex 7 asides and the London girls' league. We took a brilliant group of district boys to the English Schools' Festival of Soccer in Jersey. The players were excellent ambassadors for the schools in the borough. Thank you to the many head teachers who make a donation towards the cost of the Jersey trip. It was an outstanding experience for the boys involved.

We are experiencing an additional workload at present. We are just about coping with the demands of organising competitions and events. We need more help in this respect and of course many hands make light work. Can I please encourage colleagues to volunteer to organise perhaps one competition or event. We can support you and give help and advice on what is needed, so please don't be backward in coming forward to help.

The Committee has regularly received and reviewed updates regarding safeguarding, child welfare etc. These remain a priority in football. The Association continues to be involved in promoting good practice.

I know you will continue to inspire pupils to enjoy their football and to play matches in a fair but competitive manner. You will know by now that we place great emphasis on respect and sportsmanship. Each year I ask you all to maintain the ethos and values that are so important in Schools' football. We all like to win, but there are more important aspects to what we do. We are educators and we educate through football.

Thank you for your continued support and I wish you all a fantastic season ahead.

BDSFA

Barking and Dagenham Schools' Football Association (Primary)

Secretary's report for AGM 31st October 2018

As another year ticks by, BDSFA competitions continue to thrive, providing our pupils with invaluable education experiences that will stay with them for life. The honour of representing your school is one that should not be underestimated; it is wonderful to see so many children given the opportunity to do so.

High numbers continue to enter our competitions. Thirty-two schools have entered the Barking & Dagenham Cup/Trophy and sixteen have entered the Netbusterz Girls' League. The Monteagle Shield for Girls has smashed its record for entries and the Evans-Moore competitions continued to be well attended.

On behalf of the membership, I must formally thank Graeme Farquhar, who has played such a large role in helping to run some of these borough competitions over recent years. At one point or another, he has organised the Evans-Moore Cup, Evans-Moore Plate, Monteagle Shield, Barking & Dagenham Post Cup and Barking & Dagenham Post Trophy.

Graeme has now moved on to pastures new, meaning that his duties are currently being shared by Dave Moore and myself. Whilst we are happy to take over this workload on a temporary basis, it would be appreciated if other BDSFA members could assist with competition secretary roles in particular.

As well as volunteers, the other key hurdle we now face as an association is that of funding. For three seasons, we received a grant from the Premier League, ensuring that our district teams were able to thrive, operating at the highest standards possible. That money is no longer available and district grants from English Schools' FA have been allocated elsewhere.

All borough competitions now have sponsors – thank you to Joe Appleyard, Dave Moore, the Barking & Dagenham Post and Aaron Hunwicks from Ballerz for their assistance; supermarket 'token' schemes have helped provide funds for specific projects; the Barking & Dagenham Lottery scheme has provided a welcome income stream. However, we must continue to look out for opportunities to raise money so that our good work can continue.

Despite the challenges, both of our district teams enjoyed success last season, with the boys winning the Essex SFA Finch League for the first time in five years. Thank you to Dave Moore, Martin Rose and Graeme Farquhar for running the team – and thank you to Peter Maynard who has volunteered to join the management set-up this year.

Dave also contributes a large amount of 'unseen' work: attending county SFA meetings; organising the Jersey trip; liaising with key partners; acting as Safeguarding Officer, Treasurer and Chairman; as well as spearheading the boys' district management team. This work provides all sorts of opportunities for the borough's young people and I must thank him on behalf of all for his tireless work.

The girls' district team had a wonderful campaign, lifting the Essex 7-a-side and London Girls' League trophies. They also reached the final of the Southern Counties Cup, conceding just six minutes away from the end of extra-time. It was also a hard luck story in the South East 9-a-sides as they bowed out 10-9 on penalties in the semi-finals. I was very grateful for the assistance of Paul Squibb and Liane Prior once again – as well as Stefan Scott who helped out at the Woking Festival in April.

A handful of former district players continue to make their footballing journeys as they gain experience of high-level senior football. Ex-England schoolboy Max Watters signed with Doncaster Rovers and Idris Kanu recently scored his first EFL goal on loan at Port Vale from parent club Peterborough United. Andreyka Ezekiel-Meade made her debut for Tottenham Ladies in the WSL 2 and Olivia Smith represented her country once again in October's Euro-U19s qualifiers, earning yet more international caps to her collection.

BDSFA competitions for this season will be:

- *Barking and Dagenham Post Cup & Trophy* (9-a-side, all schools);
- *Evans-Moore Cup* (7-a-side, all schools);
- *Evans-Moore Plate* (7-a-side, B team players only, no Academy, District or players who took part in the Evans-Moore Cup);
- *Monteagle Shield* (5-a-side, all schools, girls only);
- *Ballerz Girls' League* (7-a-side, all schools, girls only).

BDSFA has affiliated to London Schools' FA, Essex Schools' FA and English Schools' FA. Individual schools are welcome to participate in their competitions, including *The Parish Cup* (9-a-side) and *The Jim Smith Memorial Trophy* (7-a-side).

BDSFA will nominate schools to represent the borough in the Danone Cup, Community Cup and London Youth Games.
